CITATION
TAVERNE & RESTAURANT

Not only is December a time for seasonal celebrations, it also hosts a very special time in Citation's annual calendar as it marks the anniversary of our creation as one of Glasgow's eateries.

This year marks our Third anniversary on December 7th. In the last three years Citation has grown and established itself as a favoured choice for city centre diners.

This is due to the support and loyalty of our customers and the hard work and commitment of the staff that make up the Citation family.

I would like to take this opportunity to thank you for your custom over the past three years, and to wish you and your family a truly happy Christmas and a prosperous 2011.

Ryan Barrie & Family.
